SCTL is inviting Quotations for One-Time Deep Cleaning Service at Puthenchantha Temple Tank

Smart City Thiruvananthapuram Limited (SCTL) is seeking quotations for a One-Time Deep Cleaning Service at Puthenchantha Temple Tank. We invite your esteemed company to participate in this opportunity.

The scope of work includes :

1. General Maintenance and sweeping

Keeping the entire premises clean including park maintenance and sweeping of areas such as:

- i. Walkway,
- ii. Seating arrangements,
- iii. Mandapam
- iv. Security guards' office
- v. Pond

Removal of litter and debris from the entire park area, including walkways, lawns, seating areas, Mandapam and Security guard's office

2. Cleaning of Pond:

The agency has to remove any leaves, twigs, branches, and other debris that may have accumulated on the water's surface or at the pond's bottom.

3. Landscape Maintenance:

Pruning and trimming of lawns, shrubs and trees to enhance the park's overall appearance

4. Pressure Washing of Paved Areas:

Pressure washing of paved surfaces to eliminate dirt, stains, and grime.

5. Disposal of Waste:

Segregation of waste into biodegradable and non-biodegradable and hand over the waste to the nearest waste management facility (Thumburmuzhi/ MRF) of the Corporation.

6. Plumbing & Electricity

The agency has to provide service of a plumber & Electrician to rectify the issues pertaining in the site

Site Assessment and Timelines:

The agency must visit the Puthenchantha Temple Tank site to assess the situation before submitting Quotations. The one-time cleaning is to be completed before the Onam festivities in the city, specifically on or before 23rd August 2023.

Quotation Submission:

Quotations should be submitted to the Smart City Thiruvananthapuram Limited Office by 11:00 AM on 21st August 2023. Agencies must ensure their presence during the opening of quotations.
